

## REQUEST FOR PROPOSAL RFP 24071

### Storage Containers

#### ADDENDUM # 1

Can you confirm that the containers requested are “One Trip” new containers? **Yes, the containers are “One Trip” containers. There will be multiple drop off locations.**

Is there a specific color the containers need to be? **There is not a specific color. We do prefer that the containers are not Red in color.**

There is a request for (6) 20-foot side open containers or an alternative to (6) 20-foot end open containers. The side open containers are more expensive and fewer available. Is the award based off price or is there more of a value for the side open containers? **There is more of a value for the side open containers for the specific location the containers are being utilized at.**

When you say, “used containers”, can they show some wear on the outside if they are still solid and waterproof? **The containers will be located on campus. Pictures are accepted with bid information and will be reviewed for consideration.**

Will the alternative of end open containers be acceptable? **All bids will be accepted regardless of door placement.**

When the containers are delivered, are there forklifts available to remove them from the truck or would a tilt bed truck need to be provided? **A tilt bed truck or forklift will need to be provided when the containers are delivered.**

Is the delivery spot a wide-open area that a large truck can back into for delivery? **Yes, the delivery spot(s) are in a wide-open area.**

Can more than one bid be submitted for multiple options? **Yes, more than one bid can be submitted if multiple options are available.**
